Betway is a sports betting app, and is one amongst many others that are advertising its services in India, despite sports betting and advertising thereof, being banned in most Indian states.

In many states, the facilitation of gambling and betting is carried out by regulated establishments called common gaming houses, and whether a foreign betting website is considered a "common gaming house" is yet to be tested before the Indian courts.

However, all the gambling legislations in India have excluded "games of skill" from the purview of gaming activities in India, as "gambling" is not defined under the gambling legislations.

The Hon'ble Supreme Court, in Dr.

State of Tamil Nadu[3], defined "game of skill" as "one in which success depends principally upon the superior knowledge, training, attention, experience and adroitness of the player";

For instance, lotteries are legal in 13 states.

The matter was brought up before of the Hon'ble Punjab & Haryana High Court to rule on the issue of whether Dream11 promotes gambling or not.

However, after meticulous consideration, some courts have decided to side with the likes of fantasy apps like Dream11.
