Keeping in line with its simple atmosphere, Golden Dragon is also a very easy game to play with only a few settings you need to take care of before setting the reels into motion.

The game matrix features 3 reels and 5 available paylines.

Luck is a precious ally in your endeavour to slay the dragon, but you can also increase the value of your future rewards by betting a little extra at the beginning of your turn.

The bet max button can also help you do just that by letting you go all-in on all 5 paylines at once.

You will find this symbol to be a little more elusive than the rest of the payable, but it can yield slightly bigger rewards as well.

The best payout online casinos that feature games with a lower house edge provide players with a much higher chance of winning, making for a much more thrilling experience.
